# ITINERARY

## Greek Island Glow - 7 Nights - Resilient Lady

### Piraeus (Athens)

Bright blue skies, sand fringed shores, a bustling street art scene. A wonderfully colorful city.

### Santorini

Blue & white for as far as the eye can see. Occasionally interrupted by a fiery orange sunset.

### Rhodes

Where Byzantine Empire meets modern cultural ingenuity. A hotspot filled with artists and art lovers.

### Bodrum

From Ancient ruins to flower filled cafes there are few places as characterful as this Turkish paradise

### Mykonos

Famous for beach clubs, electric nightlife and music, there is a spectacular quiet side as well.

# WHAT TO EXPECT

Mykonos may be famous for its beach club parties and electric nightlife, but the Greek Isle has a notably quiet side, too. With overnight stays, you can explore the charm of the cafe-lined waterfront promenades, or tour the vineyards tucked charmingly into the gorgeous hillsides of the island.

## MORNINGS:

Perhaps you'll start your day with some yoga, a HIIT class, a sesh in the steam room, an 80's boy band workout or simply enjoying sometime on your hammock before indulging in breakfast.

## AFTERNOONS:

Whether onboard or onshore, days on a Virgin Voyage are all about 'choosing your own adventure.' We will have at least one private group experience onshore, but beyond that, days in port will provide the freedom to choose from a list of 'Shore Things' (excursions) and you will, of course, have opportunities to pave your own way!

## EVENINGS:

Some evenings will be spent enjoying the Greek Islands after dark while others will be spent onboard the Resilient Lady. We may start the evening indulging in a menu curated by a Michelin star chef, continue on to a show or maybe a theme party? We can check out the nightclub too or if you feeling more chill, you can always choose to find a nook outside to take in the majestic vibes of the Greek Islands ...and just be.
